**A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous*

5-Year Plan for the period FY 2000 – 2004. In the previous five year plan Fayette Housing Authority set many goals: These goals were to modernize 66 units by installing Heating and Air conditioning in development three. The Authority has completed the installation of Heat and Air in 33 units in development three; our authority has also made site improvements through landscaping and refurbishing many sidewalks in the developments; additional security lighting through out the developments; additional parking spaces were constructed and or extended through out the premises; apartment exteriors and trim was repainted to mirror existing renovated apartment exteriors; retaining walls have been constructed in designated areas; chain link fencing is being added gradually each year to surround the Fayette Housing Authority premises; parking decals and a photo I.D. system has been purchased and implemented for security purposes; Tree Trim and Stump Removal services were contracted out to trim trees, cut dead trees and to remove their stumps, and cut back shrubbery and thickets behind the apartments to enhance the curb appeal in our housing authority. This tree trimming project helped enhance our security lighting through out the housing authority so residents and law enforcement are able to observe, report, or act upon any suspicious or illegal activity; Due to bad weather all forty-eight units (48) Development AL 137- 001 received new roof tops and shingles. These apartment roofs were leaking badly and ceilings were beginning to fall in; apartments 19B/20B in Development AL 137-001 was demolished (De Minimus Exception); currently, a concrete drainage ditch is being dug to control flash flooding in development AL137-002 on 4<sup>th</sup> Avenue SW. Water rises during heavy rain from a nearby creek that joins Fayette Housing Authority property. We are happy to report our PHA is right on course with its previous goals and objectives. New or additional goals are now being established. We just wish that more monies were available to expedite the goals and objectives.
